Well bring it to the auction and we'll both benefit by getting it out of your hands and into someone else's.

Early table reservation is recommended. Contact Marty (532-6826) in advance for reservations or more info. There will be access to credit card processing if necessary. You may also set a minimum price for your auction items, and refreshments will be on hand.

**Cash or equipment donations to the Hawks program ARE TAX DEDUCTIBLE** (receipts available upon request, contact Marty or Tim). 100% of the money collected for "Hawks sales" will go back into the Hawks program. The Hawks will collect 10% of all auction sales.
